What Does DNCA Do For Me?

The Dunwoody North Civic Association (DNCA) has as its' mission to represent the Dunwoody North Communities in county and state issues concerning the neighborhoods. The DNCA also assists the residents of the Dunwoody North Communities to protect and enhance the value of their property.

The Dunwoody North Communities are comprised of approximately 1,000 homes. The area encompasses North Peachtree Road, The Dunwoody side of Peachtree Industrial and both sides of Tilly Mill Road. All resident of the Dunwoody North Communities are invited to join and participate in the Civic Association.

DNCA collects dues each year in January. The DNCA hosts three or four meetings throughout the year, as well as meetings called to discus new zonings or other timely issues affecting the neighborhood. You will receive newsletter 10 days prior to any meetings and notices at street corners prior to called meetings.

The DNCA has built a strong relationship over the years with city, county and state government. That relationship has been instrumental in gathering support to fight detrimental development and secure development that enhances the area. DNCA also has a reciprocal relationship with nearby homeowner groups to assist and support each other.

Neighborhood Watch

Holiday Safety

There has been a rash of vandalism on Dunover Circle, Sharon Valley, and Flintshire Court. Motor oil and grease was dumped into one neighbor's sewer line and cell phones were stolen from vehicles. Vandalism of this nature is the result of our own unsupervised children. All neighbors need to be alert and report any suspicious activity as soon as possible to the police in order to apprehend the person(s) responsible.

Precinct Commander, Major Gene Moss and his entire staff wish all of the communities in the North Precinct the very happiest and safest Holiday season. We would also like to remind you that not every one does their shopping in the Mall. In fact, quite a few criminals do their shopping in the Mall parking lots. As in the past, we will be heavily patrolling Mall parking lots during the upcoming Holiday Season but you can greatly assist us by making it hard for any would be thief. Do not leave your cell phones, laptops, purchases, or other valuables in your car while you are shopping. And remember, stay alert at all times when walking to and from your car. Walk with your head up and look around for anything suspicious. For more information on Holiday Safety, Parking Lot Safety, or any other aspect of Safety, call your Crime Awareness Officer, Charles Delk at 7706043928

We would love to have your advertisement here! The next newsletter will be going out in January; Camera ready advertisements will be accepted until the January 10, 2000. Prices are as follows 1/4 page \$40; 1/2 page \$75; full page \$120. This newsletter goes out to almost

\$\$\$\$\$ CONTEST \$\$\$\$\$

Come all ye who are frustrated artists!! We Need Your Help!! Dunwoody North Subdivision needs a vehicle decal to show everyone that we belong here. At our last meeting there was a great response to the idea of everyone in the neighborhood having a decal on every vehicle they have. The DeKalb Police Department has suggested that it would also be very beneficial to them to as they cruise our neighborhood streets in our combined efforts to keep crime away from our homes. It will make it much easier to know if that car on the side of the street belongs there or is something we need to have the police check on. The decals will be sold by DNCA (estimated cost \$1.00 per decal) and although certainly not mandatory they are encouraged.

News from Chesnut Elementary

On Saturday, October 2nd, Hands On Atlanta came to our school and worked with parents and teachers on various projects in and around our school, including beautification of our grounds and the painting of several murals in the stairwell and cafeteria. A great deal was accomplished that day!

On Friday, October 8th, we had a Millennium dance which was well-attended and raised about \$1,000.00 for our school.

We welcome our new Art teacher, Ms. Ashley Carroll!!! She will begin teaching on October 13th.

A thank you goes out to Joan Hartman (Dunwoody North resident) for her generous donation of many rolls of wallpaper. Our staff is using it for art, crafts and decorations.

A thank you also goes to Carol Throm (another Dunwoody North resident) for her generous contribution of a microwave. Our staff really appreciates it.

If you have anything on our wish lists you think the school can use (or something we may not have thought of), please call Alida Lyman, (7) 458-1950.
