2002 Dunwoody North Neighborhood Directory

The last comprehensive neighborhood directory was published in 1998 and the Civic Association has taken upon it's self to completely update and print a new directory for it's members. The new directory has listings for over 1,000 homes and includes the new subdivisions within the Dunwoody North area including the Madisons and Chestnut Landing. The directory has already been mailed to families who were registered 2001 members of the Civic Association and will be available to the 2002 members on a first come, first serve basis. Directories are limited and there is a limit of one per family, so if your interested in obtaining a directory please register and pay your dues for 2002. The directory will be available at the meeting on Tuesday, February 12th.

The Civic Association would like to publicly thank **John Heneghan, Barbara Dodds, Skip Dolt and Gerri Penn** for the many hours they dedicated towards making the neighborhood directory a current and useful document. The entire neighborhood appreciates your hard work. Thank You!

Have you seen the Dunwoody North Web Page ???
It is loaded with information and easy to find, the address is,

www.dunwoodynorth.org

COMMUNITY LIAISONS

BROOKRUN: Thally Mattox is your Dunwoody North representative for Brookrun. She recently attended a preliminary meeting at Brookrun concerning a proposal of placing a mini police precinct that would support the main precinct on Ashford Dunwoody, along with Nick Nicodemus who is the DHA representative for Brookrun and also a Dunwoody North Resident. The Dunwoody Preservation Trust and Dekalb County are in the final stages in finding a firm to help develop the Master Plan for the property. Look for articles in the Dunwoody Crier for updates.

PEACHTREE DEKALB AIRPORT: David Fowler, DNCA immediate past president has been appointed to the Airport Authority Board and will attend the monthly meetings. He has already learned that it is important for you to personally call the noise abatement office at 770-936-5442 concerning low flying planes or those violating the voluntary curfew. Please leave a message concerning the noise and be sure to include your neighborhood as Dunwoody North, your street address and name if possible. After your phone call to PDK, you may email David at davidfowler@dunwoodynorth.org with the date and time you called and he will verify that your complaint was registered on PDK's monthly noise report. If David is able to prove that our neighborhoods noise complaints are not being registered he will then raise the issue.

DUNWOODY HOMEOWNERS ASSOCIATION: DHA is our biggest ally when we need the "Big Guns" and as one of the largest communities in Dunwoody, the DNCA is represented on the Board of the Dunwoody Homeowners Association. Dunwoody North's representative is Mr. David Fowler and he is available for your comments at davidfowler@dunwoodynorth.org. At the moment the DHA is making a major push to include representatives from all neighborhoods that consider themselves "Dunwoody Neighbors". It has been difficult to find someone that represents some of the smaller neighborhoods. If you know someone who does or whose neighbors would appreciate them doing so, please contact the DHA or David .

Dear Neighbors,

For the past 6 years, I have been writing articles for the newsletter giving the many reasons all of you should pay your dues to the Civic Association. No matter what I have written we still do not have the number of members we should have from this community. We serve those who pay dues as well as those who don't.

Now, I find myself writing to ask you step up and volunteer for the Civic Association Board. We were not able to fill the President Elect position in 2001. This is so important to have someone in place as a president in training. More than half of the Board has been on the board for at least 6 years.

Arlene McClure reactivated the Civic Association and since she did that the Civic Association has played a crucial role in protecting our neighborhood. It would be a true detriment to the neighborhood if the Civic Association became defunct again because we don't have anyone to run the organization. We need to know who is willing to make an investment in our community by volunteering to help our organization.

Yes, we all have other responsibilities. Somehow or other we made the commitment to the Dunwoody North Communities, but it can't be a lifelong commitment. Please call Gerri Penn at 770-457-2474 or Barbara Dodds at 770-455-0650 to volunteer to help us. Thanks.

Sincerely yours, Gerri Penn, VP of Zoning

Dunwoody North Driving Club

An invitation to All to Join the Neighborhood's Swim/Tennis Club! The Dunwoody North Driving Club is located at 4522 Kingsgate Drive in the Dunwoody North Sub-division off of Brookhurst Drive. The Club offers a variety of activities as listed below. Join today and enjoy all of the fun that is awaiting you!

POOL:

The Club's 50-meter, Olympic size pool is staffed with Red Cross certified lifeguards, and has high and low diving boards, a pool-side snack bar, adult volleyball, a baby pool, and a picnic area. The Club sponsors a swim team for children ages 5 through 18, and offers swimming lessons each summer. The pool was recently resurfaced, and the pool house and restrooms were also recently renovated. Pool side parties for both adults and children are scheduled several times throughout the summer and are always a lot of fun!

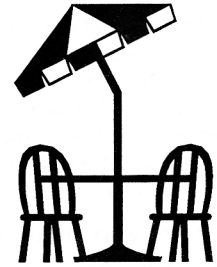

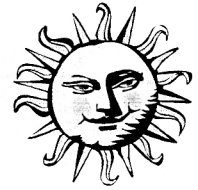

TENNIS:

The Club has four lighted tennis courts and sponsors ALTA and USTA teams for men, women, mixed doubles and junior divisions. We have A, B, and C level teams that need you! Also, several round robins are usually organized each summer.

SOCIALS:

DNDC has year-round socials for adults, and several seasonal parties for children throughout the year. Many of these events take place in the Club's 1200 square-foot clubhouse, or at the pool or tennis courts.

All of our activities are a lot of fun. Being a club member is a great way to meet a lot of new friends. It's easier than ever to join, and a payment plan is available for new members allowing payments to be spread out over four months. Please call Fran Killeen, Membership Chairman, at 770-455-6056 for more information about the Club, or a tour of the facilities.

**2002 DNCA NOMINATION COMMITTEE:

Membership Corner

Why Join and Support the Dunwoody North Civic Association (DNCA)?

Our homes are usually among the largest investments we will ever make. What other organization will act to help protect your precious investment? The DNCA acts in countless ways to do just that.

The quality of our neighborhood is one of the biggest attractions to potential homebuyers. The DNCA has worked diligently on many fronts to enhance our wonderful neighborhood. The DNCA is responsible for our new entrance monuments and signs to help identify our community. The DNCA has been involved in zoning issues when recent residential subdivisions have been added, to ensure that new homes would complement and enhance the existing neighborhood. The DNCA has, at times, helped to encourage an individual's compliance with county codes to discourage unattractive, unsafe, or un-neighborly practices, which would detract from our neighborhood. The DNCA has facilitated the communication of homeowners' concerns regarding increased air traffic and noise pollution from PDK airport, and is continuing to have a very positive impact on these issues. The DNCA also supports the Neighborhood Watch program to help keep our homes safe.

Among other things, with your 2002 dues, members will enjoy our new and current DNCA Neighborhood Directory, which not only lists residents in alphabetical order, but by street, to help you remember the names of those neighbors down the street from you! Membership in the DNCA is a nominal \$20/year and each and every homeowner's participation is important! Additional contributions are always accepted and appreciated!

Treasurer, DNCA, 4501 Binghamton Ct., Doraville, GA 30360 770-455-3706

2002 Civic Association Registration & Directory Update Form

Our household would like to update our 2002 information for the Dunwoody North Communities Directory. I am enclosing with this form my \$20.00 DNCA membership dues and I will be expecting a copy of the 2002 directory mailed to me residence. It is the goal of DNCA to include everyone who receives this newsletter in the directory, however due to cost of printing, directories will be distributed only to members of DNCA. One directory per family.
